Computer Scientist

Interests:

machine learning, neural networks,
signal processing, computer vision,
deep generative models, algorithms

🎓 EDUCATION

- 📅 2022 - 2025: **M.Sc. in Computer Science** (GPA: 9.64/10)
University of Crete 📍 Heraklion, Greece
» Thesis: Open-Vocabulary Image Segmentation algorithms with deep neural networks
Advisor: Nikos Komodakis (Associate Professor)
- 📅 2018 - 2022: **B.Sc. in Computer Science** (GPA: 9.18/10)
University of Crete 📍 Heraklion, Greece
» Thesis: Image Segmentation algorithms based on “transformer” neural networks
Advisor: Nikos Komodakis (Assistant Professor)

🔧 WORK

- 📅 11/2023 – 09/2025 **Graduate Research Assistant**
Data Science Group - IACM-FORTH 📍 Heraklion, Greece
- 📅 10/2019 – 06/2022 **Undergraduate Research Intern**
Signal Processing Lab - ICS-FORTH 📍 Heraklion, Greece

🔧 TECHNICAL SKILLS

- Advanced: Python, MATLAB, C, LaTeX, Linux, Markdown
- 🎯 Intermediate: Pytorch, Git/Github, C++, Java, HTML
- 🎯 Basic: TensorFlow, Javascript, CSS, Prolog, ASP, SQL

🔧 ACTIVITIES

- » Teaching Assistant for the following courses at CSD, UoC:
Image Processing | Neural Networks | Probability | Linear Algebra | Computer Organization
- » Organizing Committee Member (social media administrator) at the CSD Career Fair 2024
- » Attendance in the “HellasQCI Training Event Crete” 2024
- » Volunteer at the “FOSSCOMM” pan-Hellenic conference 2023
- » Organizing Committee Member (social media administrator) at the CSD Career Fair 2023
- » Volunteer at the International Conference IEEE ICASSP 2023
- » Participation in the International Summer School “IDENTITIES” 2022
- » Participation in the International program “Huawei Seeds for the Future” 2021
- » Attendance at “Speech Processing Courses in Crete” Summer School 2021
- » Participation in the International Online Summer School “IDENTITIES” 2021
- » Participation in “FOSSCOMM” pan-Hellenic conference 2018
- » Participation in the International Masterclass “Hands on Particle Physics” 2017
- » Participation in National Qualifiers for European Union Science Olympiad (EUSO) 2017
- » Participation in the European Project “IRRESISTIBLE” 2015

🏆 HONORS & AWARDS

- » 3rd Place (out of 16 teams) at “FuturEd AI Hackathon” 2025 CSD UoC
- » “DEPROFOIT” Distinction for the fall semester of 2021-2022 CSD UoC
- » Undergraduate Scholarship “Stelios Orphanoudakis” for the years 2019 - 2022 ICS FORTH
